Blue text: Talent requirements or level revised for Release 2.0.x or the Burning Crusade expansion

Purple text: new in Release 2.0 or the Burning Crusade expansion

Some, if not all, level 60 Books are now deprecated - the items may exist but the training is now available from your class trainer

This table is not intended to be a summary of all spells and talents. It includes only those spells and abilities that would normally be found in your "spellbook" (Hotkey: [P]), but are not offered by a trainer. (Once learned, upgrades MAY be available from the trainer).
