Notes						
Level columns indicate the level to craft the item, and the character level required (if any) to use the item.						
"P:" = "Plan:"						
* Vendor "Sell" prices with an asterisk (eg: *6g) indicate a limited supply.						
AH (Auction House) prices are rounded - they will vary greatly over time and between servers and factions						
Vendor prices are based on Neutral reputation						
BoP (Bind on Pickup) items can be sold to a vendor but not at auction						
"random" means the recipe may drop from any creature in the area mentioned (also known as a "world drop")						
"various" means there is a list of specific creatures (too many to list here) that drop the recipe (also known as a "static drop") (see WoW databases)
