Legend

Requirements: Faction, Level, Prerequisites; Unfriendly, Neutral, Friendly, Honored, Reversed, Exalted

N means Neutral or greater; =N means Neutral ONLY

Notes

Argent Dawn reputation starts at Neutral (0/3000)

The Argent Dawn Commission trinket (free from Argent Dawn Officers Pureheart/Garush) must be worn during combat and looting for the Scourgestones to drop.

Scarlet Crusade quests generate Argent Dawn reputation, but Insignias of the Crusade.

Most quests in the Cauldron quest chain generate Argent Dawn AND Stormwind (or Orgrimmar) reputation and lesser amounts of other Alliance/Horde faction rep

The repeatable Cauldron quests EACH require one [Arcane Quickener] (50s!) from Alchemist Arbington (A) or Apothecary Dithers (H)

Rumour has it that Araj the Summoner can be looted by anyone

The [Writ of Safe Passage] quest is offered AFTER you escort the mule train from Light's Hope Chapel. The train appears at LHC about twice daily.

Tier 3 Raid Armor Sets are 9 piece sets - trade in class-specific tokens dropped in Naxxramas, plus other materials, for each piece
