Legend

Requirements: Faction, Level, Prerequisites; Unfriendly, Neutral, Friendly, Honored, Reversed, Exalted

N means Neutral or greater; =N means Neutral ONLY; <=60 means level 60 or possibly lower; >(F, 60) means some combination greater than (Friendly AND 60)

Quest Chains are numbered. Omitted numbers mean intermediate quests provide NO reputation points for this faction

Notes

Horde Mag'har reputation starts at Unfriendly (2500/3000). Alliance cannot gain Mag'har reputation.

Turn in the Ring of Blood quests before logging or dying - or you will fail! It is suggested that your tank start the quest first - he will draw the aggro.

* possible prerequisites for the "Greatmother" chain are the Altruis series ("He Called Himself Altruis"), and the "Totem of Kardash".
