Patch 2.3 (2007/11/13) removed [Formula: Enchant Ring - Stats] from Andormu and gave it to Nakodu of Lower City.

Patch 2.4 (2008/03/25) moved or copied several recipes from Indormi (and Mount Hyjal drops) to Shaani, Shattered Sun Offensive vendor on Isle of Quel'Danas (Sunwell Isle)

There are 2 Andormus in the Caverns of Time - one is Andormu as a child, and the other, the vendor, is Andormu as an adult. Both are found in the main circular cavern of CoT.
