Notes

Skyguard quests (Bombing Run and Wrangle Some Aether Rays) in Blade's Edge Mountains require the prior completion of several Ogri'la quests, ending in "The Skyguard Outpost"
Shadow Dust drops from live Skettis and is then turned in for Elixirs of Shadows so you can see the barely visible Undead Skettis and complete several of the quests.
Time Lost Scrolls drop commonly from Time Lost Skettis, who may only be seen when under the influence of an Elixir of Shadows (see: repeatable quest to get elixir)
Flight paths between Blackwind Landing, Terokkar and Skyguard Outpost, Blade's Edge Mountains (just north of Ogri'la), become available at Honored.
Shadow Dust drops from live Skettis and is then turned in for Elixirs of Shadows so you can see the barely visible Undead Skettis and complete several of the quests.
The 4 bosses from Adversarial Blood each drop a single-loot quest item (100%) and a blue item (100%). Therefore, 40 scrolls are needed per player.
Terokk's Downfall consumes the Time-Lost Offering required to summon Terokk. This might explain why Adversarial Blood is (painfully) repeatable!
Assault on Bash'ir landing requires a <i>crowd</i> of players. Vendors appear at intervals to trade (1) unstable potions, (2) unstable gems, and (3) meta gems and geodes (for Apexis Shards)
Some of the Skyguard and Ogri'la quests in Blade's Edge Mountains give both Skyguard and Ogri'la rep. Also see: our Ogri'la rep guide
