### Completing the Field Duty Quest

(1) accept the quest from Windcaller Kaldon; (2) "use" the [Unsigned Field Duty Papers] to create [Prepared Field Duty Papers]; (3) go to the prescribed camp and be present after the mob (HiveZora Abomination [A] or HiveRegal Hunter-Killer [H]) is killed (4) get the camp NPC leader (Blackanvil[A] or Skullsplit [H]), who MUST have survived the fight, to create [Signed Field Duty Papers] within 2 minutes of mob death; (5) return to Kaldon; (6) select your reward of a combat, tactical, or logistics assignment, which contains tactical briefing(s)

### Notes

Field Duty and all sub-quests require level 60 but have no faction requirements. They report that reputation and xp have been earned - there is no gold equivalent. You do not have to join a group or lift a finger to complete Field Duty. Simply present the appropriate NPC with the [Prepared Field Duty Papers] within 2 minutes after the mob's death. Each Combat Task Briefing contains one of 3 Dossiers (eg: HiveZora Dossier) which contains all 4 Combat Task Briefings for that hive. Followup Assignments are not necessarily a repeat of the same assignment as you just completed. Task Briefing quest completion requires that the original Task Briefing document be in your inventory.
