(Gn) in the Quest Name: the quest text recommends a Group of (n) players. Eg: G2 is recommended for 2 players.

Quest Chains are numbered. Omitted numbers mean intermediate quests provide NO reputation points for this faction

Locations

Highlord Darion Mograin is in the Ebon Hold, Eastern Plaguelands

Crusader Lord Lantinga (Argent Crusade) is at Light's Breach, Zul' Drak. The Ebon Watch quest is 3rd in a series starting with "In Search of Answers", from Lantinga

Notes

Knights of the Ebon Blade quests are available to Horde and Alliance. Reputation starts at Neutral (0/3000) and quests begin at Ebon Watch in Zul'Drak (or in EPL if a Death Knight)

The Deathknight quest, "The Light of Dawn" follows a long string of initial quests for all DKs. After "The Battle for Ebon Hold", it splits Alliance and Horde to visit their Capital cities

* For the first 4 quests, including, "An Invitation, of Sorts...", we have encountered identical quests with different names

** to access the Ebon Watcher quests at Argent Vanguard, start with "Honor above All Else" from Tirion Fordring and/or "Scourge Tactics" from Crusade Commander Entari

*** "Parting Gifts" may require prior completion of certain quests at Death's Rise (Onslaught Harbor)

**** A Visit to the Doctor requires prior completion of the Argent Crusade quest, "I'm Smelting... Smelting!"

[Unliving Choker] drops from Withered Trolls east of Ebon Watch in Zul'Drak

[Note From the Grand Admiral] drops from a [Scarlet Onslaught Chest] in Onslaught Harbor
