Legend

Requirements: Faction, Level, Prerequisites; Unfriendly, Neutral, Friendly, Honored, Referred, Exalted

(Gn) in the Quest Name: the quest text recommends a Group of (n) players. Eg: G2 is recommended for 2 players.

Quest Chains are numbered. Omitted numbers mean intermediate quests provide NO reputation points for this faction

Locations

The Oracle capital is Rainspeaker Canopy; other settlements are at Sparktouched Haven (Mosslight Pillar) and Mistwhisper Refuge (Glimmering Pillar)

The Frenzyheart Tribe capital is Frenzyheart Hill; other camps are at Kartak's Hold (far SW of map) and (Spearborn Encampment in far NW?)

Notes

There is a SINGLE QUEST CHAIN, at the end of which you will choose to go with Oracle or Frenzyheart - when you fight Artruis the Heartless, you need to kill one of the two prisoners and spare the one with whom you intend to side; after the fight, take the quest offered to open up daily quests. You may return daily to kill Artruis again, and switch sides by killing or sparing the correct prisoner AND taking his quests when the fight is over.

* To get the initial quest, you must kill Patch (76) at the NW corner of Skyreach Pillar. Tracker Gekgek will claim you are a kill stealer and give you a quest of "slavery" to the Frenzyheart

** Upon completion of "Playing Along" you discretely receive Goregek's Shackles, with which you can summon Goregek the Gorilla Hunter

Completion of "Playing Along" will give you Neutral (700/3000) with Frenzyheart and Unfriendly (2230/3000) with The Oracles (-770 rep = 110%)

"Just Following Orders" moves you from Frenzy Honored (600/12000) to Hostile (683/3000) and from Oracle Hostile (-10,440?) to Friendly (1/6000)

Each faction offers 3 daily quests from the appropriate list above; 2x500 and 1x700 rep, or 1700 reputation per day.
