Notes

From: Wrath of the Lich King™ beta servers - data changes frequently and without notice

Sons of Hodir faction added in Wrath of the Lich King. Reputation starts at Hated (36000/36000) but is not shown on the Reputation panel until the completion of quest 24, "Mending Fences"

The Vrykul of Brunnhilder Village call themselves the Hyldnir. You are given an automatic Hyldnir disguise starting with quest 4, "Mildred the Cruel"

You will automatically assume Hyldnir form when doing quests in the Brunnhildar and Dun Niffelem areas (same as it was with the Netherwing disguise)

[Everfrost Chip] spawns work much like netherwing eggs: turn them in for rep if you find them in Valley of Ancient Winters, Dun Niffelem, and behind as far as Thunderfall and Fjorn's Anvil

[Viscous Oil] is a quest only drop (100%) from the slimes of the same name in the Hibernial Cavern
