

Meat and Fish, like most other items in WoW, have a white label, rather than grey, if the meat has some use other than for eating. What is that meat good for? If it's on this list, you'll find a recipe under the "Cooking" secondary skill. (see: Cooking Recipes)

Meat (and fish) that can be used in a Cooking Recipe	
Meat / Fish	Recipe (Cook Level / Char Level)
Barbed Gill Trout	Blackened Trout (300/55)
